

The background of the image is a dimly lit conference room. In the foreground, the backs of many people's heads and shoulders are visible as they sit in rows of chairs, facing a stage. The stage is illuminated with a purple and blue light. A large screen on the stage displays a presentation slide with the title "An Example of Privacy" and some text below it. To the left of the screen, a sign on the wall says "Learn". To the right, another sign says "Discover". The ceiling is a complex metal truss structure with numerous red laser lights projecting downwards in a grid pattern. The overall atmosphere is professional and high-tech.
